“Hearth & Heritage Along the Conestoga”

The creation of “Hearth & Heritage Along the Conestoga” is the collaboration between the volunteers at Historic Poole Forge and the Caernarvon Fire Company Ladies’ Auxiliary. This book is a partnership between these volunteer organizations benefiting both the historic landmark and supporting the needs of the volunteer fire company.

This historical cookbook, consisting of 292 pages, shares the stories of past and present community members, samples exceptional home cooked recipes and documents history about Churchtown and the surrounding area with a special emphasis on Historic Poole Forge and the newly developed park. The Churchtown community and surrounding Caernarvon Township with its rich farming heritage, strong family ties, historic architecture and spectacular scenery are well documented in the essence of this book.

Arrival date: October 17, 2009
Price: \$25.00 each
